Grab the wheel with both hands, enjoy the drive and focus on each other. Here are some ways you can prevent driving distracted:

- Silence your phone before you get behind the wheel and keep it mounted in a legally approved location.
- Never text and drive or use apps or social media while driving.
- Do not eat, drink or program your GPS/MP3 player or other devices while driving.
- If a phone call is necessary or you need to reroute your map, pull over to use those devices.
- If something falls to the floor, pull over to a safe parking spot before trying to reach it.
