

# 5 TIPS TO BIKE SAFELY

Always buckle your helmet.

Go with the flow of traffic.

Be predictable. Ride in a straight line. Do not weave in and out of traffic.

When riding at night, use a bike light.

Use hand signals.

# 5 TIPS TO WALK SAFELY

Wear bright colored clothing.

Look left-right-left before crossing.

Use crosswalks. Cross at corners if there is no marked crosswalk.

Make eye contact with drivers before crossing.

Be alert. Watch for cars leaving driveways or parking spaces.
